

## Middleware GSD (WS 2017) – Exercise 2

---

**Submitted:** 01. Nov.2017

### **Description:**

### **Educational Objective:**

Servlet Basics

### **Task 1 (Servlets):**

Please program in an IDE of your choice (e.g. NetBeans 8.2) a 'Hello World Servlet' and run it on your Application Server (e.g. Glassfish)!

### **Task 2 (Tax Calculation Servlet):**

Modify your Tax Computation Form from Exercise 1 so that now no longer your Node.js but a Java Servlet calculates the total amount!

**Tax Form (WS2016)**

Amount:

Tax (%):

Currency:

---

**The total amount is 1150 Dollar**

### **Task 3 (Files):**

Modify the servlet from task 2 so that in addition to the computation the record is written to a log file.

### **Task 4 (optional):**

Please program for your Tax Form a web counter.
